Dear Dr. Wheelon

1. Since we have not received a reply to our letter of 15 May 1959, we are now wondering if you still anticipate serving as Consultant (without compensation), with the Scientific Advisory Board, Office of the Chief of Staff.
2. Our letter requested that certain forms be executed and returned to this office; these forms must be received and a security investigation processed before you can be appointed as a consultant.
3. If you no longer intend to accept appointment as Consultant to the Scientific Advisory Board, we would appreciate your advising this office. An addressed envelope is inclosed for your convenience.

Sincerely
